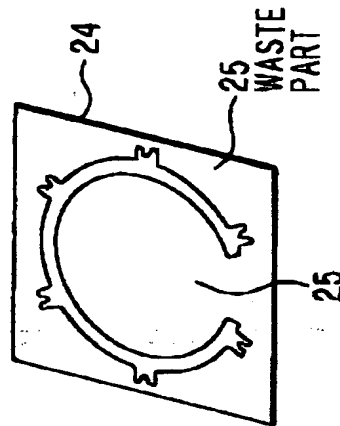

FIG. 1A  
PRIOR ART

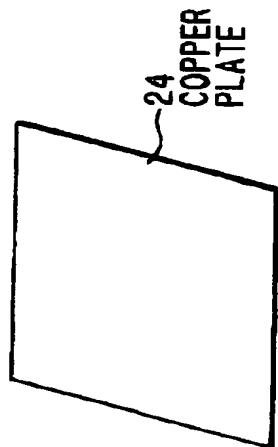

FIG. 1 is a perspective view of a circular lead frame assembly. The assembly includes a circular lead frame (21) with a central opening. A series of rectangular terminals (22) are mounted on the inner surface of the frame. A terminal connector (23) is shown connecting two terminals (22) on the opposite side of the frame. The frame (21) is depicted as a multi-layered structure.
